Marion C. Blakey, Administrator
Federal Aviation Administration
800 Independence Ave, S.W.
Washington, DC 20591

Dear Ms. Blakey:

LOS ANGELES INTERNATIONAL AIRPORT

At the instruction of the County of Los Angeles Board of Supervisors, I would like to request that the Federal Aviation Administration (FAA) extend the response period for comments to the Final Environmental Impact Statement (EIS) for the Los Angeles International Airport (LAX) Master Plan. Considering the complexity of the LAX Master Plan EIS and the time required by public agencies and community groups to review materials and prepare and/or vote on responses, it would be appropriate for your agency to minimally extend the comment period by an additional 30 days from February 22, 2005 to March 22, 2005.

Thank you for your serious consideration of this urgent request.

Sincerely,

A handwritten signature in dark ink, appearing to read "David E. Janssen", is written over a horizontal line.
